Advanced Paramedic Recruitment

Are you an experienced, critical care-focused paramedic (ICU/CCU/A&E) ready for your next career challenge?

EMS is actively recruiting **Advanced Paramedics** to join our dedicated team. We seek elite clinicians with proven expertise in high-acuity environments to deliver the highest level of pre-hospital critical care.

Who We Are Looking For

We require paramedics with a minimum of **three (3) years** of post-qualification experience in:

- **Intensive Care Unit (ICU)**
- **Coronary Care Unit (CCU)**
- **Accident & Emergency (A&E) / Emergency Department (ED)**

Essential Qualifications and Experience

- Current Paramedic certification/registration.
- Minimum of three (3) years of operational experience as a paramedic.
- Proven competence in advanced airway management, complex assessment, and critical care interventions.
- ACLS, PALS, and PHTLS or equivalent certifications.
- A strong commitment to clinical excellence.

The Advanced Paramedic Role

You will be on the front line of critical care, responsible for:

- **Delivering High-Acuity Care:** Providing advanced medical treatment for critically ill and injured patients.
- **Clinical Leadership:** Making autonomous, time-critical decisions on scene.
